

MEMORANDUM

To: North Hills Singers
From: Noah Cherry, Associate Music Director
Date: September 1, 2024
R.E.: Music plans Fall 2024

Dear singer and choir member:

Thank you to everyone who participated in our 2023-2024 season! It was a beautiful year of beautiful music. For the upcoming season, the ensemble will sing for services approximately **twice a month**, in keeping with our traditional plan. You can see an up-to-date schedule through December attached to this memo. I will continue to email available members with music, notes, and important reminders. **I invite you to sing with us, even if you aren't a choir regular!**

1. The music is available for you in the "Music Closet" in the church office, as usual
2. If you sang with the choir regularly last year, I expect that you will let me know when you are **not** available ahead of time!
3. PDFs, YouTube links, and additional materials will typically be emailed out a week in advance
4. On Ensemble Sundays, we will meet at 8:30am to review our anthem(s) and prepare for the 9:30am service. This is subject to change as necessary.
5. Please be advised that we will sing at the **Christmas Vespers** service, which is at 5:00 PM on Sunday, 12/15, with potential rehearsal before.
6. Please be sure to welcome our new Tenor Choral Scholar, **Caleb Ramsey**. He studies at Wayne State University under Dr. Jonathan Lasch and will be joining us for the upcoming season

Thank you for your continued dedication to making music at North Hills. I am very excited for the upcoming season!

Noah Cherry
