

MEMORANDUM

To: North Hills Singers
From: Noah Cherry, Associate Music Director
Date: January 8, 2024
R.E.: Music plans Spring 2024

Dear singer and choir member:

Thank you to everyone who participated in the Fall 2023 Ensemble opportunities! It was a beautiful semester of beautiful music. For the upcoming winter and spring semester, our plan is to have the ensemble sing for services approximately **twice a month**, in keeping with the schedule established last semester. You can see an up-to-date schedule through May attached to this memo. I will continue to email available members with music, notes, and important reminders. **I invite you to sing with us, even if you aren't a choir regular!**

1. The music is available for you in the "Music Closet" in the church office, as usual
2. If you are not a regular member of the choir, please let me know which dates you are interested in via email so I know to expect you!
3. PDFs, YouTube links, and additional materials will typically be emailed out a week in advance
4. On Ensemble Sundays, we will meet at 8:30am to review our anthem(s) and prepare for the 9:30am service. This is subject to change as necessary.

Thanks for considering this invitation. I am very excited for the upcoming semester and the future of music at North Hills!

Noah Cherry
Associate Music Director
