Elder Brenda Bierenga traveled to the Dominican Republic and served on a medical mission trip from June 18-24. She went with the Haiti and Africa Relief Team also known as H.A.R.T. While there she was able to provide a medical clinic for 4 days. The first three days they had not received many of the needed supplies. Nevertheless, on those days they served approximately 350 patients. On the last day they remarkably took care of an additional 350 patients, and this was the day they had all their supplies. God works in mysterious ways! “Thanks for your prayers and support. I cannot wait to go back again.” In the fall Brenda will host an adult education hour to share more about her trip.
